

Gal. 1:6-9

⁶. I am astonished that you have turned so quickly from the One Who called you by the grace of Christ toward a different 'gospel.' ⁷. It is not actually another 'Gospel.' On the contrary, some are troubling you. And they are wanting to pervert the Gospel of Christ. ⁸. If even we or an angel from heaven preaches a gospel to you which is not in accordance with or contrary to the Gospel which we proclaimed to you, then let him be accursed. ⁹. Just as we said earlier, I am now saying it again: If anyone preaches a gospel to you which is not in accordance with or contrary to that which you received, then let him be accursed.
