

# EE-8 Hebrew Alphabetization

---

Name \_\_\_\_\_

**Please read all instructions carefully**

1. Read each of the following words aloud.
2. Write out each word in Hebrew (including vowels).
3. Look up each word in the Holladay lexicon (information in the Bibliography).  
[note that the lexicons treat שׁ and שׂ as different letters when alphabetizing]
4. Write down the page number on which each word is located in the Holladay lexicon.
