

ICE-11 Heb. Grammar and Translation

Name _____

Translate the following phrase using an analytical lexicon, BDB/Holladay/KB and the course pack information. Try to account for all the grammatical information in your translation. For this assignment, you may ***not*** use an interlinear, computer program, English Bible or commentary. You may use any notes given in class. Hint: the handouts on grammar, the list of common prepositions and the chart of pronominal suffixes may all come in handy.
