

# ICE-12 Heb. Grammar and Translation

---

Name \_\_\_\_\_

**Please read all instructions carefully**

On your own paper, copy the following Hebrew verse. Leave 5 or six blank lines between each line. Underneath each word write any relevant grammatical information. Be sure to account for all grammatical features. Underneath that line, write the dictionary form of the word. Underneath that line, write the meaning of this word in this context. At the bottom of the paper, write a smooth English translation of this verse. Note: You may ***not*** use an interlinear, computer program, commentary or English translation for this assignment. You should be able to complete this assignment using an analytical lexicon, BDB/Holladay/KB and the Course Pack handouts.
