

# ICE-9 Word Studies on the Word

---

Name \_\_\_\_\_

**Please read all instructions carefully.**

Using a Concordance, find the Dictionary form of the Hebrew for the following words from Psalm 19. List the dictionary form, transliterate the form, and list the Strongs#.

law (v.7)

perfect (v.7)

statutes [“testimony” NASB] (v.7)

precepts (v.8)

Using an Interlinear and Analytical Lexicon, List the inflected form of the Hebrew for the following words, list the dictionary form, and transliterate the dictionary form.

right (v.8)

commands [“commandments” NASB] (v.8)

fear (v. 9)

Using a computer program, Strongs, or Analytical Lexicon, list the inflected form of the Hebrew for the following words, list the dictionary form, and transliterate the dictionary form.

pure [“clean” NASB] (v.9)

ordinances [“judgments”] (v.9)

sure [“true”] (v.9)

Find all ten words in the BDB and Holladay Lexicons and list (on the back or on a separate paper) the relevant definition(s) and any other important information you find for these words.
