- What stood out to you in this class's teaching and how it should impact your life?
- How serious have you treated sin in the past? In what ways (if any) should your view of sin change as a result of the course material?
- How have you believed and received the forgiveness of sins? Have you had trouble believing you were forgiven? Why? Have you taken forgiveness too lightly? Why?
- In what areas should you be seeking God for forgiveness? What functional idols are at the root of these symptoms?
- Whom do you need to forgive and why? What is holding you back from releasing complete forgiveness? How can the truth of the Gospel help you to forgive?
- Because you have been forgiven, in what ways should your life tangibly change?

End the time with prayer for one another
